

PRODUCT/PROCESS CHANGE NOTIFICATION (PCN)

Number: 2009-1

Date: 09/15/2020

From: Dave Jahr

Product Family: HE910 based (HSPA) products End-of-Life Notice

Effective Date: 9/15/2020

Telit recently issued an End-of-Life PCN regarding their HE910 based modules (PCN-0378). Janus, in turn, announces End-of-Life for all HE910 based (HSPA) products.

Change Category: Product End-of-Life.

Executive Summary: Janus 3G HSPA Products using Telit HE910 modules going End-of-Life

Products Affected:

Suggested Replacement:

- | | |
|-----------------------------|-----------------|
| 1. HSPA910CF (All Versions) | LTE910CF V20.00 |
| 2. HSPA910T2 (All Versions) | LTE910T2 V20.00 |
| 3. HSPA910T3 (All Versions) | LTE910T3 V20.00 |
| 4. HSPA400AP (All Versions) | LTE400AP V20.00 |

Product Note: AT&T and other network carriers will begin shutting down their 3G (HSPA) networks in the next one to two years.

*Janus recommends that customers consider moving to Similar LTE devices **now** to avoid any issues.*

HSPA End-of-Life Schedule:

Last Time Buy date for HSPA Products: January 31, 2021

Last Shipment date for HSPA Products: August 31, 2021
